The Hertfordshire
BUSINESS
independent

For the fourth year Home-Start Herts are organising and running the prestigious annual "St Albans pancakes race", in conjunction with the events company and business publication Herts Business Independent.

This community fundraising event will help Home-Start Herts meet the increasing needs of local families struggling to cope with day to day life. Family life can be fun, full of laughter and full of love but it can also be frustrating, challenging and extremely difficult.

What happens when family life breaks down? Trained Home-Start family mentors visit families

on a weekly basis in their homes to help them deal with the challenges they face.

We support parents as they learn to cope, improve their confidence and build stable, nurturing lives for their children, to give them the best start possible.

Fundraising is vital to Home-Start's future survival and the Pancake race is a great way for you to show your support for the local community.

If you need support please contact the office admin@home-startherts.org.uk

Or visit our website for further information:

Pancake Festival Sponsorship Package

For just £100 we will provide a printed vinyl banner (2m x 1m), which will be placed along the barriers marking out the race.

Attracting large crowds and good press coverage, the Pancake festival is an excellent way of promoting your company - and you get to keep the banner! Banners purchased last year can be displayed again this year for £50.

Please visit the pancake race website page www.pancake.events to order and pay for your banner. Please send your artwork/logo to suzy@home-startherts.org.uk no later than close of business Monday 17th February. Artwork not supplied by the deadline will not be able to be used. We are sorry but we cannot offer refunds if the deadline is missed.

All proceeds from your sponsorship go to Home-Start Herts.
